Favorite Foods Breaks Ground on 25,000 SF Expansion

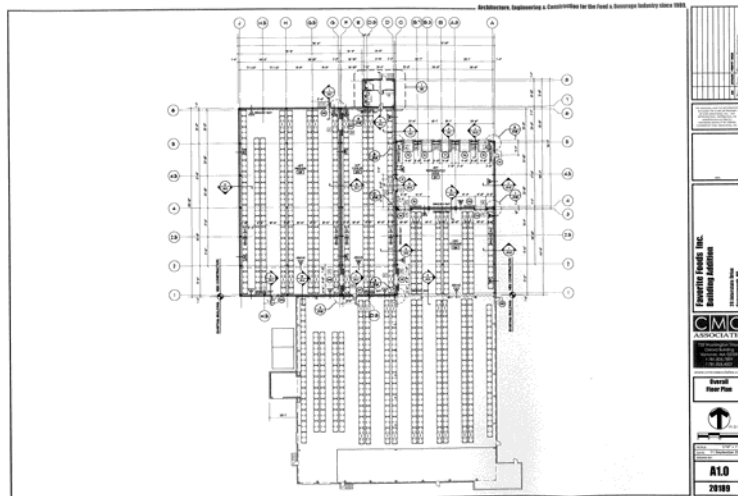

SOMERSWORTH, NH, March 03, 2008 – Favorite Foods is proud to announce that the 25,000 square foot expansion of their existing facility is underway.

The official ground breaking ceremony for the expansion took place on Thursday, February 21st. Attendees included employees of Favorite Foods; Chris and Jeff Barstow, co-founders of the company; Mayor Michael Micucci of Somersworth; Craig Wheeler, Director of Development Services for Somersworth; and associates from CMC, the company contracted to complete the expansion.

Favorite Foods is NH's only broadline foodservice distributor and was started 20 years ago by brothers Jeff and Chris Barstow. Still family owned and operated, Favorite has grown to be a \$30 million dollar/year supplier of food, paper, and chemicals to NH and ME independent restaurants. The 25,000 square foot expansion will greatly enhance the existing 22,000 square foot facility and is expected to be completed in July of this year.

Favorite Foods' location on Interstate Drive serves as the 3rd location for the company (first holding space in Portsmouth, NH and then Newington, NH). Favorite Foods moved to its current location in Somersworth 8 years ago and is very happy to be able to stay in this area thanks to the expansion capabilities. Four more acres of land are available to the company for future expansion across the street from the existing location.

"We are very excited about what this expansion means to Favorite Foods and our customers," stated Chris Barstow, President of Favorite Foods. "Not only will we enjoy more square footage in which we can stock additional product, but we will be able to take advantage of design changes and technologies to increase our efficiencies and allow us to enhance the top notch service we offer our customers."

Incorporated in 1987, Favorite Foods is New Hampshire's only independently owned broadline food and paper distributor. Servicing the NH/ME seacoast, Concord, and Manchester regions, Favorite Foods is proud to support the area's local Independent Restaurants. Through the creation of FIRA, the Favorite Independent Restaurant Association, Favorite Foods has established itself as a leading advocate for locally owned and independent restaurants.
